

# Material Safety Data Sheet

## Section 1 Product and Company Identification

Product number: C418

**Product name:** Andy Fluor 647-X-UTP, 1 mM in TE buffer

Unit Size: 25 μL

Manufacturer/Supplier: ABP Biosciences Inc

9620 Medical Center Drive, Rockville, MD 20850, USA

Web: www.abpbiotech.com.cn

## **Section 2 Hazardous Ingredients/Identity Information**

The product contains no substances which at their given concentration, are considered to be hazardous to health.

## Section 3 Physical and Chemical Properties

Form Liquid

Appearance
Odor
No information available
No information available
No data available
No information available
No information available

Water solubility Soluble

#### **Section 4 Potential Health Hazard Effects**

**Eyes** May cause eye irritation with susceptible persons. **Skin** May cause skin irritation in susceptible persons.

InhalationMay be harmful by inhalation.IngestionMay be harmful if swallowed.

Carcinogenic effects none Reproductive toxicity none Sensitization none

### Section 5 Stability and Reactivity Data

**Stability** Stable under normal conditions.

Materials to avoid No dangerous reaction known under conditions of normal use.

**Hazardous decomposition** None under normal use.

**Polymerization** Hazardous polymerization does not occur.

### Section 6 Toxicological and Ecological Information

Chemical Name	LD50 (oral, rat/mouse)	LD50 (dermal, rat/rabbit)	LC50 (inhalation, rat/mouse)
Andy Fluor 647-	No data available	No data available	No data available
X-UTP			

Ecotoxicity effectsNo information available.MobilityNo information available.BiodegradationInherently biodegradable.BioaccumulationDoes not bioaccumulate.

## **Section 7 Handling and Storage**

**Handling** Always wear recommended Personal Protective Equipment. No special

handing advice required.

**Storage** Keep in a dry, cool and well-ventilated place.

#### **Section 8 First Aid Measures**

**Skin contact** Rinse with plenty of water. If symptoms arise, call a physician.

**Eye contact** Rinse immediately with plenty of water, also under the eyelids, for at least 15

minutes. If symptoms persist, call a physician.

**Ingestion** Never give anything by mouth to an unconscious person. If symptoms

persist, call a physician. Do not induce vomiting without medical advice.

**Inhalation** Move to fresh air. If symptoms persist, call a physician. If not breathing, give

artificial respiration.

### **Section 9 Disposal Considerations**

Dispose of in accordance with local regulations.

#### **Section 10 Other Information**

For research use only. Not intended for human or animal diagnostic or therapeutic uses.
