

# Material Safety Data Sheet

# Section 1 Product and Company Identification

Product number: L003

**Product name:** Andy Fluor 405L NHS Ester

Unit Size: 1 µmol

Manufacturer/Supplier: ABP Biosciences Inc

9620 Medical Center Drive, Rockville, MD 20850, USA

Web: www.abpbiotech.com.cn

## Section 2 Hazardous Ingredients/Identity Information

Chemical Name	CAS-No	EINECS-No	Weight %
Andy Fluor 405L NHS Ester	-	-	60-100

#### **Section 3 Physical and Chemical Properties**

Form Solid

AppearanceNo information availableOdorNo information available

Boiling pointNo data availableMelting pointNo data availableFlash pointNo data availableAutoignition temperatureNo data available

Oxidizing properties No information available

Water solubility Soluble

## **Section 4 Potential Health Hazard Effects**

**Eyes**May cause eye irritation with susceptible persons. **Skin**May cause skin irritation in susceptible persons.

InhalationMay be harmful by inhalation.IngestionMay be harmful if swallowed.

Carcinogenic effectsnot applicable.Reproductive toxicitynot applicable.Sensitizationnot applicable.

## Section 5 Stability and Reactivity Data

**Stability** Stable under normal conditions.

Materials to avoidNo information available.Hazardous decompositionNo information available.

**Polymerization** Hazardous polymerization does not occur.

### Section 6 Toxicological and Ecological Information

Chemical Name	LD50 (oral, rat/mouse)	LD50 (dermal, rat/rabbit)	LC50 (inhalation, rat/mouse)
Andy Fluor 405L NHS Ester	No data available	No data available	No data available

Ecotoxicity effectsNo information available.MobilityNo information available.BiodegradationInherently biodegradable.BioaccumulationDoes not bioaccumulate

#### **Section 7 Handling and Storage**

**Handling** Always wear recommended Personal Protective Equipment. No

special handing advice required.

**Storage** Keep in a dry, cool and well-ventilated place.

#### **Section 8 First Aid Measures**

**Skin contact**Rinse with plenty of water. If symptoms arise, call a physician. **Eye contact**Rinse immediately with plenty of water, also under the eyelids, for at

least 15 minutes. If symptoms persist, call a physician.

**Ingestion** Never give anything by mouth to an unconscious person. If

symptoms persist, call a physician. Do not induce vomiting without

medical advice.

**Inhalation** Move to fresh air. If symptoms persist, call a physician. If not breathing,

give artificial respiration.

#### **Section 9 Disposal Considerations**

Dispose of in accordance with local regulations.

#### **Section 10 Other Information**

For research use only. Not intended for human or animal diagnostic or therapeutic uses.
